

**Did you know** that an Accountable Care strategy benefits both employees and the company's bottom line?

### **Big Benefits, Big Savings, Big Quality**

Accountable Care Organizations (ACOs), like Kelsey-Seybold Clinic, provide distinct advantages including cost savings, access to primary and specialty care, convenience, and care coordination.

### **How to Pick a Winning Plan**

There are [six key features](#) your clients should consider in creating a health benefits strategy.

Dr. Patrick Carter, Medical Director for Care Coordination and Quality Improvement and Chief, Department of Family Medicine at Kelsey-Seybold Clinic explains why those differences are significant—and why not all ACOs can deliver them.

Learn what [six things to look for when shopping ACOs](#) and how Kelsey-Seybold--certified by National Committee for Quality Assurance (NCQA) as the nation's first accredited ACO--delivers on all.
