### Hospital affiliates

Kelsey-Seybold physicians partner with high-quality medical specialists and partner hospitals in the Greater Houston area, including: CHI St. Luke's Health, including Baylor St. Luke's Medical Center in the Texas Medical Center; St. Luke's Sugar Land Hospital; St. Luke's The Woodlands Hospital; and St. Luke's Patients Medical Center.

- **Dialysis** — KelseyCare helps patients with chronic kidney disease better manage their condition through Renal Disease Care Management. The goal is to help reduce further kidney damage and slow disease progression. In the event disease progresses, patients may be referred for outpatient dialysis with the primary care physician coordinating care.
- **Nephrology** — Patients with chronic kidney disease, kidney damage due to high blood pressure, renal blood vessel disease, or other abnormalities may be referred to board-certified affiliate specialists at Renal Specialists of Houston.
- **Cancer Care** — [Cancer care](#) is delivered by Kelsey-Seybold's nationally accredited [Cancer Center](#) in coordination with CHI St. Luke's Cancer Center. MD Anderson Cancer Center is an affiliate for referral in complex cases.
- Patients receive coordinated, personalized care from a team of Hematology, Oncology, infusion, and radiation specialists. The Cancer Center delivers state-of-the-art treatment for tumors of the brain, spine, lung, breast, prostate, head, neck and more — including the most complex cases.
- **Pediatric Care** — Kelsey-Seybold has a longstanding affiliation with Texas Children's Hospital, Texas Children's Pavilion for Women, Baylor College of Medicine, and several hospitals throughout Houston-area communities.
